BOWIE MEETING BEGINS UNDER CONDITIONS THAT ARE HIGHLY PROMISING.

Ideal Weather Helps to Attract Big Crowd to the Course-Isidora Wins Inaugural Handicap in Exciting Drive with Brave Curnarder.

Ratimore, Md., April 1.—Captain P. M. Walker's lisidora won the Inaugural Handicap, the feature event of the opening day's card at the Bow's track Irom select opposition in a hard drive through the stretch. She scored by a short head over Brave Cunarder and Harry Shaw. It was the closest finish of the afternoon and the winner remained undecided till the official placing was displayed. Isidora followed the fast pace set out by Jim Basey and Harry Shaw, and although losing much ground at the head of the stretch by going wide, closed with a great burst of speed and got up in the closing strides. Brave Cunarder, a keen factor from the start, disposed of Harry Shaw in the final twenty feet. The latter ran a remarkable race and appeared as if he was not keyed up for the gruelling test.

Ideal summer-like weather favored the management, and a record-breaking crowd journeyed to the course. Form students had a good line on the horses engaged and most of the winners were warmly supported by the talent. Twenty-nine layers were in line and all reported that speculation was brisk throughout the afternoon.

The opening dash of the day, for maiden two-year-olds, saw the largest field of the day parade to the post, fifteen in number. The winner turned up in a handsome filly from the stable of C. T. Patterson, Sand Pocket, which beat H. P. Whitney's Iolite by a good margin. Iolite did not receive any the best of the break and overcome a lot of interference but her chances of scoring were ruined when the winner swerved down to the inside rail in the stretch.

The talent received a setback when Samuel Ross' Ida Claire was returned the winner of the second. Inda Payne was the popular choice and ran a disappointing race, showing at no time any of her will also the stable of C. T. Jockey Tommy McTaggart made his reappearance in-the saddle after a lapse of over a year-when he had the mount on Tom Elward in the opening dash. Among the numerons visitors today was Preston Burch, who recently arrived from France.

came over from Louisville last night, got about early this morning, looked at several horses and took the 11:40 train for New York. He admitted that a deal might result from his examinations, but declined to say in whose interest he came to Kentucky or to indicate the horses that are likely to change hands. The supposition here is that John E. Madden, who is now in New York, is one of the parties to the negotiations that are pending.

The racing stables of J. F. Gaffney, from Nashille, in charge of E. C. Crockett, and George B. Moreland and T. Hodge, from New Orleans, arrived here this morning. Moreland had to put Tom Caro, one of his two-year-olds, out of the car at Vance. Ala., on account of a car fit, but upon his arrival here, he was informed by the rail-poad authorities that the horse will be shipped here tomorrow.

INJURY AGAIN IN WINNING FORM.

J. W. Fuller's Veteran Campaigner Accounts For Handicap That Serves as Juarez Feature.

Handicap That Serves as Juarez Feature.

El Paso, Tex., April 1.—A mile handicap was the special offering of a fairly good card at Juarez this afternoon. It enabled J. W. Fuller's old campaigner Injury to add another bracket to his already lengthy list. He was able to keep close to the pacemaker from the start today and when it came to the final drive he sacceeded in passing Transact after the latter had disposed of Mud Sill. Ringling was held in highest regard for the race, but was outpaced until the race was mearly over. She closed resolutely and was making up ground on the leaders at the end, where she was third.

The day's results were generally formful. Rubicon II., Delaney and Goldy scored as favorites, Repton and Smiling Mag were winners at long odds.

E. C. Arnold, who has first call on the services of Jockey A. Mott, wired N. K. Moody today from Lexington, Ky., to send the rider on at once, He leaves tonight. Mott has been riding well here this winter.

A. Volland, of Kansas City, purchased Hester from John C. Ferris today at private terms. Trainer J. F. Richardson will take her to Denver. Recent workouts of horses in training at Juracz were as follows:

from the program of the Texas state fair a Dallas.

The Duke of Portland, who has opposed the continuance of racing in England during the war, has withdrawn nine of his best known horses from all their engagements for 1915, while fourteen more have been scratched from the entry lisr; until July 31.

Preston Burch, who recently returned from France, will be seen at the early meetings about New York. Young Burch spent the past few years in France, Italy and Belgium. He trabued the horses of John Sanford, the Cheisea Stale and others. When the war broke out in Europe, Burch took his stable from Maisons Lathite to a place of safety forty miles away in Normandy, but the French Government, so far, has refused to permit any thoroughbreds to leave the country. Mr. Burch hopes that before long he will be able either to return to France or have the Sanford horses shipped to America. There are nearly sixty horses in the string.

Leon C. Thresher, an American citizen, born in Hardwick, Mass., brings the United States face to face with the gravest question yet presented to it by the European war. If the circumstances of the sinking of the Falaba by a torpedo and the killing of more than 100 passengers are correctly reported in the dispatches, they constitute, from the viewpoint of the United States, a violation of the law of nations. The United States will seek to determine the responsibility for the sacrifice of the dispatches. The United States will seek the life of the American, Thresher, and to obtain redress therefor.
